Two-Day Sprint — Monday Apr 27 + Tuesday Apr 28

For: Jesse | Back from Georgia. Two full working days before going off April 30. Sailing May 7. CJ takes over April 29.

Monday Apr 27 — Close the Loops (3.5 hours total)

Monday sprint is about finishing things that have been waiting. Five of these take under 5 minutes each.

#	Task	Time	Notes
1	**Ships A Lot Qwilr signature**	5 min	Susan waiting since Apr 24. Link: shipsalot.qwilr.com/Modern-Savage-aHwI1CSkQd6q
2	**Ryan Porter WhatsApp**	2 min	"Hey Ryan — really sorry I missed Monday, filming ran longer than expected. Still really excited about this. Can we jump on a call this week?"
3	**Calvin x2 WhatsApps**	5 min	(a) "Any update on the SOW?" (b) "Once Stripe is live, send Email 1 to the 170. I'll confirm when."
4	**Raemy WhatsApp**	2 min	"Which entity should I use to set up Stripe for Modern Savage US subscriptions?" Wait for reply before touching Stripe.
5	**Rick Landman callback**	1 min	+447624277888 — payment ready, needs bank account verification.
6	**Stripe setup**	90 min	After Raemy confirms entity. $69/month. Product: Modern Savage Adult Blend.
7	**Water2 call — Charles Robinson**	30 min	(1) Has the profit share been paid? (2) ARR today? (3) Anti-dilution on the 5%? No royalties — rejected March 24.
8	**Forward CJ handover brief**	2 min	CJ takes over April 29. Send before end of day.
9	**Alex WhatsApp — Tattarang**	2 min	"Taki sent 6 diligence questions — Junior's done Q3, you just need the financial answers for Q1/2/4/5/6. I'll share the doc."
10	**Wildernests 3D feedback to Calvin**	5 min	Investor-grade — feeds Gunnar's UHNWI pitch video.

> **Monday evening:** Tiffany Haddish ep2 airs 9pm ET (2am UK Tuesday). Get the FOX toolkit (Tyler Garfield email in Jesse's inbox April 24) to Calvin before end of day. Patrick Rogers manages Tiffany's socials — tag correctly and he'll repost.

Tuesday Apr 28 — Strategic (lighter, but important)

#	Task	Time	Notes
1	**Bear WhatsApp — EBG alignment**	5 min	"May 4 EBG catch-up. Want 10 mins before Sunday to align on Creator Network economics?" Bear has more empathy for EBG than CJ. You need his actual view before Sunday.
2	**Metricool scan**	5 min	7 posts went out Apr 26-28 without your review. Check they look right.
3	**Check inbox for Delbert/UTA update**	3 min	Delbert had a call with Ty Flynn (UTA) scheduled week of Apr 27 with "a few things coming your way." If it happened, there may be follow-up email. Relevant to May 4 EBG call.
4	**Ryan Porter Fat Cow call**	30 min	If Ryan can do Tuesday. 3 co-branded SKUs already agreed — moisturiser, sun cream, deodorant. Ryan said yes Apr 24. 6 questions in the brief.
5	**Read EBG May 4 prep PDF**	20 min	Before aligning Bear. FOX multi-pillar structure, Bear's April 2 position, UTA context. Private doc.
6	**ACF Pharma ship date check**	3 min	Flag to CJ if not done: email Chris Liming (chris@lightningnutra.com). $82K deposit sent. Ship date must be before June 25 or July 1 launch is at risk.

The One Thing That Must Happen Monday

> **CJ handover sent by end of Monday.** He starts April 29. Without the brief: Calvin chase stalls, domain acquisition doesn't start, BPS Hub coordination misfires. 2 minutes. Just send it.

Before Sailing May 7

- Stripe live and Email 1 instruction sent to Calvin
- Bear aligned before May 4 EBG call
- Rick Landman callback done
- Kylee MacArthur — entity decision for US trademark (after Raemy answers)
- CJ fully operational with handover brief

Three scenarios that warrant interrupting sailing: (1) modernsavage.com domain — if MediaOptions comes back above £2K; (2) ACF Pharma ship date — if after June 25; (3) Tattarang — if Taki sends a term sheet.

What CJ Owns From April 29

1. ACF Pharma ship date — email Chris Liming within 24 hours of receiving handover
2. Calvin contracts — chase daily until signed
3. modernsavage.com — MediaOptions submission this week
4. BPS Hub — Sam Cotton email (coordinate with Jesse first re Bear's direct contact with George Musgrave)
5. Luminox 2nd amendment — Maria Valenzuela waiting for CJ's response since April 21. Now 7 days. Respond this week.

Prepared by Junior — Apr 26, 2026
